**Vero Millwork is pleased to announce  
the re-opening of our Cabinet Division!**

The cabinet lines we are offering are Designer's Choice ([www.dccabinetry.com](http://www.dccabinetry.com)) and Decora Cabinets ([www.decoracabinets.com](http://www.decoracabinets.com)). We believe you'll find that one of these companies will be able to provide both the economical challenges that we all face on certain projects along with the high end expectations your customers expect.

Vero Millwork has hired an in-house designer, Vinny Trio, who brings over 30 years of experience to this division. Vinny can provide computer layouts for all of your kitchen, bath, and cabinet needs.

All of us at Vero Millwork would like to thank you for your business in the past and for any opportunities that you may entrust us with in the future.
